The Radio Ministries Board of Victory Christian Center Assembly of God, Inc. ("Radio Board") is a three-member board which is elected by the congregation of Victory Christian Center Assembly of God, Inc., a non-stock, non-profit Indiana corporation. The Radio Board, which was established on December 5, 1990 by a nearly unanimous vote of the congregation, is empowered to oversee all aspects of operation of the proposed radio station. Members serve four-year terms and must work full-time at the proposed radio station. The congregation elected Larry S. Riley, Jeffrey Hathcote and Janice Bender to be the initial members of the Radio Board.

The Radio Ministries Board of Victory Christian Center Assembly of God, Inc. proposes to offer programming responsive to the needs and interests of the residents of Seelyville and the proposed service area. Such programming will include local and national news and public affairs programs, religious programs, and entertainment programming.

INTEGRATION STATEMENT

The Radio Ministries Board of Victory Christian Center Assembly of God, Inc. ("Radio Board") is a three-member board composed of Larry G. Riley, Janice Bender and Jeff Hathcote.

Larry Riley. Larry G. Riley proposes to integrate at the proposed station as its full-time General Manager, working a minimum of 40 hours per week. As such, he will supervise overall operation of the station, including sales, personnel, traffic and programming. He will have ultimate responsibility for hiring and firing employees and he will oversee implementation of the station's EEO program.

Radio Board does not claim any minority or female credit with respect to Larry Riley. However, it will seek qualitative credit for Mr. Riley's residence within the proposed service area from December 1986 to the present time. He currently resides about 1 1/2 miles from the city limits of Seelyville. He plans to continue residing within the proposed service area while integrated at the proposed station.

Additionally, Radio Board seeks credit for Mr. Riley's civic involvement in the proposed service area. That involvement includes working as an adviser to the local Council of Domestic Abuse; advising the local Women's Auxiliary group; participating in a food give-away program for the needy; working with the city of Terre Haute on special city activities during various

holidays; working with local schools on drug prevention programs; and leading free counseling for those with such problems as financial difficulties, drug and alcohol problems, and problem children.

Finally, Radio Board will seek broadcast experience credit for Mr. Riley's appearances on a daily half-hour radio program entitled, "Life in the Spirit," five days a week for about two years. That program was broadcast over WYTL, Terre Haute.

Janice Bender. Janice Bender proposes to work full-time (a minimum of 40 hours per week), as Public Affairs Director for the proposed station. In that position, she will be responsible for ascertaining what issues are of interest and importance to Seelyville area residents and for establishing public affairs programming responsive to those needs and interests. Ms. Bender will directly supervise any public affairs department employees. She will report directly to Larry Riley, the proposed General Manager.

Radio Board does not claim any minority or broadcast experience enhancement for Ms. Bender, but it does claim qualitative credit for her female status and for her residence within the proposed service area from March 1972 to the present time. She currently resides approximately 1/4 to 1/2 mile from the city limits of Seelyville. She plans to continue residing in the service area while integrated at the proposed station.

Additionally, Radio Board seeks credit for Ms. Bender's civic activity in the proposed service area. That activity includes working with the local chapter of Business and Professional Women; acting as secretary of the local chapter of "Be Aware"; holding office in the local Women's Auxiliary, "Women's Aglow"; serving in the Big Brother/Big Sister program; acting as a coordinator for a local counseling service and acting as public relations officer for the Food Help Program.

Jeff Hathcote. Jeff Hathcote proposes to work full-time (a minimum of 40 hours per week) as the station's Program Director. As such, he will be in charge of all non-public affairs programming of the station. Mr. Hathcote will directly supervise any program department staff. He will report directly to Mr. Riley, the General Manager.

Radio Board does not seek any minority or female enhancement for Mr. Hathcote, but does seek credit for his residence within the proposed service area from June 1990 to the present time. He plans to continue residing in the service area while integrated at the proposed station.

Additionally, Radio Board seeks credit for Mr. Hathcote's civic involvement in the proposed service area, including his involvement in local drama groups and the Actor's Guild; acting as Chairman for the local United Way; providing counseling to local youth; and working in public relations between the federal prison and the community.

Finally, Radio Board will seek credit for Mr. Hathcote's past broadcast experience at KKLC(AM), Pineville, Louisiana.

INSTRUCTIONS

Applicants seeking authority to construct a new commercial, noncommercial or international broadcast station, applicants seeking authority to obtain assignment of the construction permit or license of such a station, and applicants seeking authority to acquire control of an entity holding such construction permit or license are required to afford equal employment opportunity to all qualified persons and to refrain from discrimination in employment and related benefits on the basis of race, color, religion, national origin or sex. See Section 73.2080 of the Commission's Rules. Pursuant to these requirements, an applicant who proposes to employ five or more full-time employees must establish a program designed to assure equal employment opportunity for women and minority groups (that is, Blacks not of Hispanic origin, Asians or Pacific Islanders, American Indians or Alaskan Natives and Hispanics). This is submitted to the Commission as the Model EEO Program. If minority group representation in the available labor force is less than five percent (in the aggregate), a program for minority group members is not required. In such cases, a statement so indicating must be set forth in the EEO model program. However, a program must be filed for women since they comprise a significant percentage of virtually all area labor forces. If an applicant proposes to employ fewer than five full-time employees, no EEO program for women or minorities need be filed.

Guidelines for a Model EEO Program and a Model EEO Program are attached.

NOTE: Check appropriate box, sign the certification below and return to FCC:

☐ Station will employ fewer than 5 full-time employees; therefore no written program is being submitted.

☒ Station will employ 5 or more full-time employees. Our Model EEO Program is attached. (You must complete all sections of this form.)

I certify that the statements made herein are true, complete, and correct to the best of my knowledge and belief, and are made in good faith.

Signed and dated this 12th day of December, 19 90

The model EEO program adopted by the Commission for construction permit applicants, assignees and transferees contains five sections designed to assist the applicant in establishing an effective EEO program for its station. The specific elements which should be addressed are as follows:

I. GENERAL POLICY

The first section of the program should contain a statement by the applicant that it will afford equal employment opportunity in all personnel actions without regard to race, color, religion, national origin or sex, and that it has adopted an EEO program which is designed to fully utilize the skills of qualified minorities and women in the relevant available labor force.

II. RESPONSIBILITY FOR IMPLEMENTATION

This section calls for the name (if known) and title of the official who will be designated by the applicant to have responsibility for implementing the station's program.

III. POLICY DISSEMINATION

The purpose of this section is to disclose the manner in which the station's EEO policy will be communicated to employees and prospective employees. The applicant's program should indicate whether it: (a) intends to utilize an employment application form which contains a notice informing job applicants that discrimination is prohibited and that persons who believe that they have been discriminated against may notify appropriate governmental agencies; (b) will post a notice which informs job applicants and employees that the applicant is an equal opportunity employer and that they may notify appropriate governmental authorities if they believe that they have been discriminated against; and (c) will seek the cooperation of labor unions, if represented at the station, in the implementation of its EEO program and in the inclusion of nondiscrimination provisions in union contracts. The applicant should also set forth any other methods it proposes to utilize in conveying its EEO policy (e.g., orientation materials, on-air announcements, station newsletter) to employees and prospective employees.

IV. RECRUITMENT

The applicant should specify the recruitment sources and other techniques it proposes to use to attract qualified minority and female job applicants. Not all of the categories of recruitment sources need be utilized. The purpose of the listing is to assist the applicant in developing specialized referral sources to establish a pool of qualified minorities and women who can be contacted as job opportunities occur. Sources which subsequently prove to be nonproductive should not be relied on and new sources should be sought.

V. TRAINING

Training programs are not mandatory. Each applicant is expected to decide, depending upon its own individual situation, whether a training program is feasible and would assist in its effort to increase the available pool of qualified minority and female applicants. Additionally, the applicant may set forth any other assistance it proposes to give to students, schools or colleges which is designed to be of benefit to minorities and women interested in entering the broadcasting field. The beneficiary of such assistance should be listed, as well as the form of assistance, such as contributions to scholarships, participation in work study programs, and the like.

MODEL EQUAL EMPLOYMENT OPPORTUNITY PROGRAM

I. GENERAL POLICY

It will be our policy to provide employment opportunity to all qualified individuals without regard to their race, color, religion, national origin or sex in all personnel actions including recruitment, evaluation, selection, promotion, compensation, training and termination.

It will also be our policy to promote the realization of equal employment opportunity through a positive, continuing program of specific practices designed to ensure the full realization of equal employment opportunity without regard to race, color, religion, national origin or sex.

To make this policy effective, and to ensure conformance with the Rules and Regulations of the Federal Communications Commission, we have adopted an Equal Employment Opportunity Program which includes the following elements:

II. RESPONSIBILITY FOR IMPLEMENTATION

(Name/Title) Larry G. Riley/General Manager will be responsible for the administration and implementation of our Equal Employment Opportunity Program. It will also be the responsibility of all persons making employment decisions with respect to the recruitment, evaluation, selection, promotion, compensation, training and termination of employees to ensure that our policy and program is adhered to and that no person is discriminated against in employment because of race, color, religion, national origin or sex.

III. POLICY DISSEMINATION

To assure that all members of the staff are cognizant of our equal employment opportunity policy and their individual responsibilities in carrying out this policy, the following communication efforts will be made:

- ☒ The station's employment application form will contain a notice informing prospective employees that discrimination because of race, color, religion, national origin or sex is prohibited and that they may notify the appropriate local, State or Federal agency if they believe they have been the victims of discrimination.
- ☒ Appropriate notices will be posted informing applicants and employees that the station is an Equal Opportunity Employer and of their right to notify an appropriate local, State or Federal agency if they believe they have been the victims of discrimination.
- ☐ We will seek the cooperation of unions, if represented at the station, to help implement our EEO program and all union contracts will contain a nondiscrimination clause.
- ☐ Other (specify)

IV. RECRUITMENT

To ensure nondiscrimination in relation to minorities and women, and to foster their full consideration whenever job vacancies occur, we propose to utilize the following recruitment procedures:

NAACP
India Association
National Organization of Business and Professional Women
D.A.R.
Federation of Jewish Women

- ☒ In addition to the organizations noted above, which specialize in minority and women candidates, we will deal only with employment services, including State employment agencies, which refer job candidates without regard to their race, color, religion, national origin or sex. Examples of these employment referral services are:

Indiana State Employment Security Division

- ☒ When we recruit prospective employees from educational institutions such recruitment efforts will include area schools and colleges with minority and women enrollments. Educational institutions to be contacted for recruitment purposes are:

Indiana State University
St. Mary-of-The-Woods College

- ☒ When we place employment advertisements with media some of such advertisements will be placed in media which have significant circulation or viewership or are of particular interest to minorities and women. Examples of media to be utilized are:

Tribune-Star
Brazil Times
Clay City News

- ☒ We will encourage employees to refer qualified minority and women candidates for existing and future job openings.
